

Notice: Future Power Disruption

Dear Valued Customer,

We are writing to inform you of a future power disruption that will affect your area. Lathrop Irrigation District has scheduled maintenance due to upgrades that will result in a temporary interruption of power supply to the River Islands Community.

**Scheduled Date and Time:** 12/07/2024 7:00am-12:00pm

**Reason for Disruption:** LID is connecting secondary transformer due to the growth of the community of River Islands. To ensure the safety of LID Crews, LID will need to shut down the High Voltage Transmission Line coming into our Substation to connect secondary transformer line up.

**Expected Duration:** Estimated @ 4 hours.

**Precautionary Measures:**

- **Backup Power:** Consider alternative power sources, solar energy, or backup batteries or generators, if necessary, especially for medical equipment or sensitive devices.
- **Protect Electronics:** To prevent damage, unplug sensitive electronics and appliances during the outage.
- **Stay Informed:** Monitor our website [www.lathropirrigation.com](http://www.lathropirrigation.com) and LID staff will send out text alerts before and after work is completed.
- **Sign up to receive Text alerts for major outages-just text "alerts" to 833-222-2154. (All data fees will apply)**
